

The Henry Prince Church of England (C) First School & Nursery

Welcome Back

September 2015

It is lovely to see the children back in school—all looking very smart and fresh. Joining us in Class 1 are two new nursery children and one new reception child, they are already settling in very well.

The Government have introduced new curriculum assessments for Key Stage 1, details of this are provided on the sheet attached. If you have any questions, please do not hesitate to ask.

Special points of interest:

- ☺ New after school club

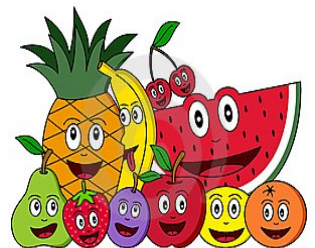

Healthy Schools Status

We are currently in the process of applying for Healthy Schools Status.

To assist us in this it would be extremely helpful if parents could encourage pupils to bring a healthy snack

into school for break times. This could include fresh fruit, cereal bars or dried fruit. As well as a healthy snack the children should be bringing water only in their bottles.

Thank you for your continued support.

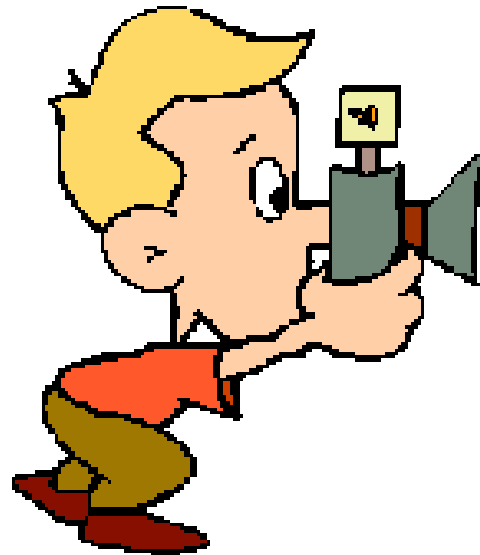

School Photographer

On Monday 21 September Academy Photographers will be in school in the afternoon to take pictures of all of the children.

If you have younger or older children who are not in school you are very welcome to bring them along for 3.00pm when the photographer will be available for family sittings.

Thank you

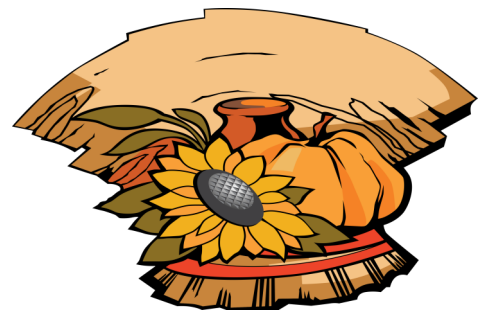

Harvest Festival

On Friday 25 September the whole school will attend church for this years Harvest Festival Service.

Please take the children and any donated produce to church for 9.00am. Nursery children are welcome to join us and then attend school at their normal time.

The staff will walk the children back up to school after the service.

The produce will be auctioned at the Harvest Supper on Monday evening. Please see Reverend Owen if you wish to attend.

Ultimate Frisbee

This half term we are trialing a new after school club.

Our coach from Burton Albion Football Club is introducing the children to Ultimate Frisbee—this sounds like a lot of fun.

If your child hasn't signed up yet there are still a few places available and at £2 per session, it is very good

value for money.

Library

Each week the children have the opportunity to go into the library area and select a book of their own choice to take home and read.

Mrs Heathcote kindly volunteers to run the library sessions.

However, we do still have a number of library books outstanding from last summer. If you have received a note asking for the return of a book could you please double check at home.

If books remain lost, there is a charge of £5 to replace

Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

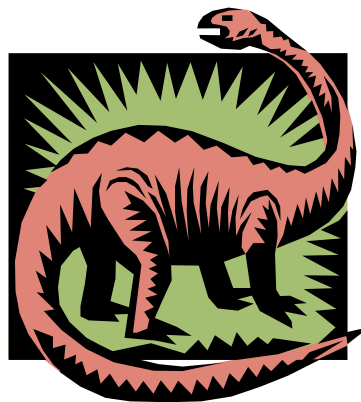

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.

Caption describing picture or graphic.
